On 3/21/2009, while on duty with the Weare Police Department, Officer Quigley was involved in a single vehicle accident, driving a Weare cruiser off the roadway and down an embankment.

According to the accident report filed by NHSP, Officer Quigley observed an animal dart into the cruiser's path of travel on Rt. 114, Officer Quigley took evasive action to avoid colliding with the animal, was unable to return the vehicle to its proper course of travel, went off the roadway striking a sign post, delineator post and some small trees.

Officer Quigley gave a written statement to the investigating Trooper as follows:

On 3/21/2009 at approximately 0430 hrs I was patrolling northbound in the area of Rte. 114 and Knox Road when I observed a large animal crossing the road east to west. I attempted to avoid the animal and in doing so I swerved into the southbound lane and once I hit the soft shoulder I felt that the cruiser would be unable to be corrected. I steered straight ahead and braced myself for impact.

During the internal investigation Officer Quigley admitted that there was no animal in the road, he'd fallen asleep while driving which caused the accident. He also admitted he'd told the same story to the investigating Trooper at the scene of the accident about a deer in the road, knowing it was a false statement.

Chief Merrill's closing to the Council, summarized that the purpose of the hearing is to determine whether Officer Quigley's actions violated Pol 301.05. Officer Quigley resigned in lieu of termination. An act of moral turpitude or lack of moral character for behavior which would cause a reasonable person to doubt his honesty and respect for the law.

Chairman Prozzo asked for questions from Council members; and then from Greenfield Police Department. Chief Merrill responded to Sheriff Dubois's question, there were no criminal charges filed in the incident.

Chief Giammarino began by stating that Jonathan Quigley lied, "told a fib" about the accident with the Weare Police Department's cruiser. He went on to say that since that time he has done a lot to turn his life around. He confirmed that Officer Quigley's name was on the Laurie list, but as of yet, no issues have come up with the department, Officer Quigley has made arrests but all of those cases have settled.

Discussion ensued regarding responsibility of the hiring authority, "an applicant was hired by an agency despite meeting any of the disqualifying criteria set out in Pol 301.05 (g)".

Motion by Chief Cahill, seconded by Deputy Attorney General Ann Rice to postpone this hearing until next month to allow staff to obtain audio of the interview by Sgt Peterson with Officer Quigley from the Weare Police Department, and, with the prior training and experience request submitted by Greenfield Police Department for Officer Quigley postponed to next month as well. 9-0.

Newport PD Chief Burroughs with Clayton Couitt, appealing academy dismissal

When asked, Chief Burroughs stated that they would like a public session.

Captain Bodanza was sworn in by Sheriff Prozzo. Captain Bodanza explained that Clayton Couitt had been dismissed from the 163rd Academy (which was currently in session). The dismissal was after the second week of the academy for violations of the Academy Manual by (1) using profanity D10 (b), *a student shall display a respectful and courteous attitude towards all persons*; and D38, *recruits shall act in a professional manner during class breaks and follow guidance of the instructor*, and (2), additionally by kissing another recruit D36(a) *no student may engage in non-training physical contact of any kind with any other person. Non-training physical contact is defined as kissing, touching, hand holding etc.*

Clayton Couitt was sworn in and explained that he came in to speak with the Council to “right a wrong” and that he hoped his actions would not reflect poorly on the Newport Police Department. He was requesting re-admittance to the Academy, the next session.

Discussion ensued amongst the Council members relative to Clayton Couitt’s education, military history, maturity level and accountability for actions to his department as well as to the recruits in the 163rd Academy session.

Motion by Chief Cahill, seconded by Chief Sullivan, to uphold Clayton Couitt’s dismissal from the 163rd Academy, 9-0 in favor of the motion.

Motion by Chief Cahill, seconded by Chief Sullivan to allow Clayton Couitt to attend the next Academy session and to review whether he should address his behavior with the 163rd Academy Class, 8 in favor, one opposed.

Previous and/or Unfinished Business

Anonymous complaints from January 28, 2014 meeting

Chief Merrill explained that staff had begun a review and that the complaints had merit; hearings would follow during next month’s meeting.

Additional New Business

Motion by Chief Sullivan seconded by Chief Morency to accept the surrender of Chief Richard Simpson of the East Kingston Police Department’s certification, the vote was 9-0 in favor of the motion. (It was noted that a surrendered certification is registered with the national certification database).

Form G’s

Chief Merrill completed a presentation to council members detailing procedures when police and corrections/probation parole officers are arrested, and what the Council’s obligations were to the rule, Pol 402.02 (b). This issue had been recently reviewed by PSTC’s legal counsel, and PSTC staff would like direction from Council members on how to proceed. Chief Merrill read the rule into the record as follows:

Pol 402.02 b) A certification shall be temporarily suspended pending resolution of criminal charges if the officer has been arrested, indicted or bound over either prior to or after certification for a felony or any crime involving moral turpitude or of a crime which tends to bring discredit on the police, corrections, or probation/parole service, unless the safety of the public or the confidence in the criminal justice system would not be adversely affected.

Discussion ensued amongst the Council members on this topic, if officers had been arrested and were still working, what where the types of arrests (only felonies or any arrest), in state versus out of state arrests, and how these arrests should be communicated to the Council members, that it was incumbent upon Council members to take action.

(Judge Carroll exited the meeting at approximately 10:30 a.m.)
