Only New Hampshire Law Enforcement Officers may use the site, unless special written permission has been authorized by the Director.

Officers with accounts can view PSTC newsletters, class updates, forms, manuals, and take online classes.

Facility Rules

Only designated personnel are allowed into the training facility.

No harassment or intolerance based on sex, age, religion, or lifestyle preference shall be tolerated in the facility.

The Council's primary statutory mandate is recruit training. The recruit academy must take precedence over all other activity at the facility. Recruits undergo strict paramilitary training and are forbidden to engage in conversation. In-service students shall not speak with recruits.

Our facility is next to the campus of NHTI—Concord's Community College, and contact is inevitable with civilian students and instructors. Student conduct while on the college campus shall be in accordance with the highest professional standards.

While attending classes at the facility, on campus, or at remote locations, improper conduct will be dealt with accordingly. Students shall remain attentive during class periods, and shall display proper respect and courtesy toward instructors, Council personnel, visitors, and fellow students. Profanity or offensive terminology or gestures will not be tolerated.

All persons attending programs at the facility shall be dressed in their department's uniform or business casual attire.

Blue jeans or casual shorts are not acceptable for training sessions unless authorized by the class supervisor. Appropriate casual attire is allowed after hours.

Firearms shall not be worn visibly in the facility or on campus unless the student is wearing a police uniform or civilian clothing with a badge or other official credentials prominently displayed on the outer garment. Firearms shall not be stored in dormitory rooms, but instead in the firearms storage room or locked in the trunk of the student's vehicle. See a staff member for assistance in securing a weapon.

Inappropriate behavior involving weapons is prohibited.

While taking PSTC classes, regardless of the location, cell phones **MUST** be turned OFF. Violations of this rule will cause the student to be dismissed from the class and he/she will not receive credit for the class.

Students and guests shall not smoke or use tobacco in any form in the building or on the premises of PSTC.

Food and drink shall be consumed only in designated break areas—not consumed or stored in dormitory rooms. Students shall keep rooms and break areas clean and free from excessive noise.

No person shall be allowed on the premises with the odor of an alcoholic beverage on his/her breath, and possession or consumption of alcoholic beverages or illegal drugs at the facility is prohibited. Violation of this rule will result in immediate dismissal and possible decertification.

All officers are expected to abide by the Honor Code. Lying or cheating is forbidden. To be aware of violations and not report them is an infraction. Violators of the Honor Code or the Law Enforcement Officers' Code of Ethics face expulsion from class and possible decertification.

Only recruits or overnight students are permitted in the living quarters. Students are not permitted in rooms of students of the opposite sex, and no romantic activity between students is permitted. Visitors to the facility shall be admitted only with staff permission.

The intrusion alarm system is activated from 4:30 p.m. to 7:30 a.m. Overnight students without pass cards must be back in the building by 9:00 p.m., or they will not be readmitted. In order to leave for an emergency, students must contact an Academy staff member to disable the alarm system.

Infractions of any of the foregoing rules may result in dismissal from the training program and/or subsequent Council programs, and an incident report maybe sent to the student's agency. Any unwarranted damage to the facility or equipment, or failure to return Council property shall result in direct billing to the student, with a copy to the student's agency. Any criminal offenses committed on campus shall be referred to the appropriate law enforcement agency for prosecution, and to the Council for a decertification hearing.
