MISSION STATEMENT

New Hampshire Police Standards and Training is committed to supporting and enhancing a dual mission:

Providing high-quality, innovative, credible and responsive basic, advanced, and specialized training to New Hampshire Police, Correctional, Probation and Parole officers; and,

Adopting and enforcing reasonable, professional standards in a manner consistent with the law, considerate of the public trust, and committed to basic values and the highest ethical standards.

Readopted August 25, 2009

COUNCIL MEMBERSHIP

The members of the New Hampshire Police Standards and Training Council during Fiscal Year 2015 were Chief Anthony F. Colarusso, Jr. of the City of Dover Police Department who served as Chairman after the retirement of Sheriff Michael L. Prozzo, Jr. of the Sullivan County Sheriff's Office; Chief David P. Cahill of the Town of Sunapee Police Department; Chief Peter P. Morency of the City of Berlin Police Department; Chief William R. Hart, Jr. of the Town of Londonderry Police Department who served after the retirement of Chief James B. Sullivan of the Hampton Police Department; Sheriff David G. Dubois of the Strafford County Sheriff's Office; Associate Justice Sawako T. Gardner of the Portsmouth District Court; Associate Justice James Carroll of the Laconia District Court; Sheriff Douglas R. Dutile of the Grafton County Sheriff's Office serving after the retirement of Sheriff Prozzo, Jr.; Dr. Ross Gittell, Chancellor of the Community College System of New Hampshire; Colonel Robert L. Quinn, Director of the New Hampshire State Police; Attorney General Joseph Foster of the Department of Justice; and, Commissioner William L. Wrenn, Jr. of the New Hampshire Department of Corrections, who also served as Vice-Chairman.

By law, the members of the Council, appointed by the Governor, must include two town police chiefs, two city police chiefs, two high sheriffs, two justices of the District or Superior Court System, the Chancellor of the Community College System of New Hampshire, the Attorney General, the Commissioner of Corrections, and the Director of the NH State Police. Terms are two years in length. The Chairman is designated by the Governor, and the members elect the Vice-Chairman.

Effective July 26, 2014 by RSA 188-F:24, legislation added two public members to the Council, Dr. Ekaterina Hurst, New Hampshire Hospital, and Director Paula Kelly-Wall, Crisis Center of New Hampshire.

NH POLICE STANDARDS AND TRAINING COUNCIL

ANNUAL REPORT

Fiscal Year July 1, 2014 - June 30, 2015

ORGANIZATION AND FUNCTIONS

The Police Standards and Training Council was established by the New Hampshire Legislature in 1971. Policies are set by the 14-member Police Standards and Training Council who appoints the Director to oversee the operation of the agency.

The current director, Donald L. Vittum of Rochester, was appointed to his first four year term on February 1, 2007 and is currently serving in his third term. Police Standards and Training is administratively attached to the Community College System of New Hampshire.

The Council is charged with establishing minimum hiring and educational standards for police, state corrections, and probation-parole officers and the certification of persons qualified to serve in those positions. Police Standards and Training's mission also includes providing mandatory basic training to new police, state corrections and probation-parole officers.

In addition, the Police Standards and Training Council approve the curriculum for County Corrections Officers who are enrolled in the Group II (law enforcement) retirement system.

The Council currently certifies 3,893 police officers, both full and part time, who are employed by State, County and local units of government, plus 497 sworn employees of the New Hampshire Department of Corrections.

Our headquarters are located at 17 Institute Drive in Concord, in a law enforcement training facility that opened on October 25, 1983. An additional lecture hall, two more classrooms, and several additional offices were opened on July 1, 1989. Another 33,280 square feet (on two floors) Tactical Training Center and a 7,600 square feet (on two floors) dormitory addition were completed in 1993, giving us a total of 77,000 square feet on 20.87 acres of land and overnight accommodations for more than 100 persons.

On May 2, 2007 in honor of the late Arthur D. Kehas the first Director of Police Standards and Training, the Governor and Executive Council changed the name of our building and grounds to the Arthur D. Kehas Law Enforcement Training Facility and Campus. On June 14, 2010, a ceremony was held to dedicate a bronze plaque donated by the Kehas family to commemorate the naming of the campus in honor of Arthur Kehas. That plaque remains proudly displayed in our lobby.

The Council is funded by the Penalty Assessment Fund established under RSA 188-F:31. Each jurisdiction is required to levy a surcharge of \$2 or 24% on each fine imposed for all offenses except municipal parking violations. 66.66% of that collection is deposited into the Police Standards and Training Council Training Fund, a special, non-lapsing fund to support police training. 16.67% is collected to support victim assistance programs in the state. Another 16.67% goes to the court system. In addition, \$5 from each prisoner supervision fee collected by the NH Department of Corrections for the supervision of probationers and parolees is deposited into the Police Standards and Training Council Training Fund for training police and corrections officers. The Council receives no General Fund support and funds its total operation from the Training Fund.

The Council was a non-affiliated state agency reporting directly to the Governor until July 1, 1985. With the passage of Chapter 152, Laws of 1985, it became attached to the Department of Postsecondary Technical Education, subsequently called the NH Department of Regional Community-Technical Colleges, and known since 1998 as the NH Community Technical College System. Laws of 1985, 152:4, provide that Police Standards and Training shall be a separate PAU within the System, administratively attached and separately financed. The Council also retains its rule-making authority independent from the System. By a law enacted by the 1998 Legislature, the Police Standards and Training Council, like the rest of the college system, gained flexibility in making purchases and in fiscal transfers through the System's Board of Trustees. Chapter 361, Laws of 2007, changed the governance structure of the system again and renamed the system the New Hampshire Community College System. Beginning in SFY 2008, PSTC transfers are approved through the Joint Legislative Fiscal Committee. In 2011, the property of the CCSNH, PSTC and the McAulliffe Shepard Discovery Center was surveyed and re-distributed under RSA 188-F:1-a with PSTC receiving 20.87 acres of allocation.

Revenue continues to be an issue for the agency and resulting in the decision by the Police Standards and Training Council to reduce our expenditures to insure viability of the Training Fund. The letter to Agency Heads sent out at the conclusion of FY15 follows:

^{§§} Includes \$1,000 reimbursement for an FY13 grant that carried forward into FY 14.

To all NH Law Enforcement Agencies,

As many are aware, Police Standards and Training has been struggling with a declining revenue source for many years and this past year has been no exception. We do not receive any General Fund monies and are reliant upon Penalty Assessment to generate the revenue that runs the agency and our programs. The Penalty Assessment which was the vision of the late Arthur D. Kehas, the first Director of Police Standards and Training was designed to provide our needed revenue and to maintain a reserve fund to cover during lean times. Unfortunately, continued declines in revenues combined with the transfers from the Training Fund over the last decade or more by the legislature have put the balance of the fund at a critically low level.

In the past, we have made reductions to our spending to include our staff in order to keep expenses more in line with incoming revenue. We were able to make those reductions without an impact to the services that we provide to law enforcement agencies. However, this time, the reductions will not be possible without having an impact to services. The Council received input during the strategic planning session in May and during the June Council meeting we carefully reviewed our financial situation to determine the best course of action to take. With the training fund balance reaching a critically low level, there was no choice but to make cuts.

As always, we tried to limit the direct impact to law enforcement agencies. Effective July 1, 2015, PSTC will no longer offer specialized training grants nor will we contract with outside vendors to provide specialized courses beyond those that are taught by our staff and other in-state law enforcement trainers. We will work with vendors to be a hosting location for specialized courses to be held at PSTC, but should there be a per student cost for attendance, that payment will need to be handled between the vendor and the agency seeking attendance. Examples of the courses affected are Field Training Officer, Crash Investigation, Interview and Interrogation, etc.

Regional training through video conferencing will end by September 30, 2015 as we have ended our contract with Granite State College who has been a long term partner in providing those services. Classes will no longer be available in Hampton and Littleton and we will not complete the installation in Keene. While we understand that this will increase commute times for those that have enjoyed these locations, we simply cannot continue to bear the expense.

We know that these changes are hard; the decision to take these actions did not come easy. As we have been saying for several years now, PSTC needs a long term solution for revenue as the current status of the Penalty Assessment is just not sufficient. The Council will continue to look for solutions and work with Legislators in an effort to find the answer to this problem and ensure viability of this agency and the certification programs and oversight we provide. We can't do this alone and will need the help of all NH law enforcement agencies to work and stand with us as we move forward.

Sincerely,

Anthony F. Colarusso, Jr.
Chairman

COMPLIANCE MONITORING

Another function of our agency is that of compliance monitoring to insure that agency administrative rules are being followed. That activity is characterized by the following:

- Investigations into alleged rules violations or other departmental or individual conduct that could result in suspension or revocation of police or corrections officers' certifications.
- Background investigations conducted on the ability and fitness of persons to serve as Police Standards and Training Council employees, staff members.
- Examination of the documentation submitted by officers from other states requesting certification in New Hampshire based on prior training and experience or by officers re-entering the field.
- Reviews of incidents involving police officers that indicate a need for positive changes in our training programs or entrance standards.
- Monitoring compliance with our various rules, which involves submission of forms and data from state, county, and local law enforcement and/or corrections agencies.

Surrender of police certification carries the same ramifications as revocation of police certification - a minimum two-year period before a petition can be made to the Council to grant eligibility to regain recertification. Decisions of the Council are appealable only to the New Hampshire Supreme Court. The following table details the results of decertification and suspension hearings held in the past fiscal year.
