Governor and Executive Council

Governor Christopher T. Sununu, State of New Hampshire

Honorable Joseph D. Kenney, Executive Councilor, District One

Honorable Cinde Warmington, Executive Councilor, District Two

Honorable Janet L. Stevens, Executive Councilor, District Three

Honorable Theodore L. Gatsas, Executive Councilor, District Four

Honorable David K. Wheeler, Executive Councilor, District Five

Council Membership

By law, the members of the Council, appointed by the Governor, must consist of two members that are chiefs of police in a town or for a university; two members that are chiefs of police in cities; two members shall be county sheriffs; two members shall be judges of courts with criminal jurisdiction; a professor from a New Hampshire college or university whose primary teaching responsibilities are in the field of criminal justice or similar course of study; a law enforcement officer of a town or city employed at a rank below lieutenant; the director of the division of state police, or designee; the attorney general, or designee; the commissioner of the department of corrections, or designee; four public members, none of whom shall be a certified police officer, lawyer, or judge, and none of whom shall have a spouse, sibling, or parent, by birth, adoption, or marriage, who is a certified police officer, lawyer, or judge. Terms are two years in length. The Chair is designated by the Governor, and the members elect the Vice-Chair.

MISSION STATEMENT

The mission of New Hampshire Police Standards and Training is to shape, sustain and strengthen the competency and professionalism of New Hampshire Law Enforcement, in service to our state.

We accomplish our mission by:

Providing high-quality, innovative, credible and responsive basic, advanced, and specialized training to New Hampshire Police, Correctional, Probation and Parole officers. Adopting and enforcing reasonable, professional standards in a manner consistent with the law, considerate of the public trust, committed to basic values and the highest ethical standards.

OUR WORDS ABOUT US

ANNUAL REPORT

Fiscal Year July 1st, 2022 through June 30th, 2023

The Police Standards and Training Council was established by the New Hampshire Legislature in 1971. Policies are set by the 17 member Police Standards and Training Council who appoints the Director to oversee the operation of the agency.

Police Standards and Training is an independent, executive branch agency. The current director, John V. Scippa of Exeter, was appointed to his first four-year term on March 16, 2020.

The Council is charged with establishing minimum hiring and educational standards for police, state corrections, and probation-parole officers; the certification of persons qualified to serve in those positions; and providing mandatory basic training to new police, state corrections and probation-parole officers.

The Police Standards and Training Council approves the curriculum for County Corrections Officers who are enrolled in the Group II retirement system.

The Council currently certifies 3,639 police officers, both full and part time, who are employed by State, County and local units of government, plus 439 sworn employees of the New Hampshire Department of Corrections.

Our headquarters are located at 17 Institute Drive in Concord, in a law enforcement training facility that opened on October 25, 1983. An additional lecture hall, two more classrooms, and several additional offices were opened on July 1, 1989. Another 33,280 square feet (on two floors) Tactical Training Center and a 7,600 square feet (on two floors) dormitory addition were completed in 1993, giving us a total of 77,000 square feet on 20.87 acres of land and overnight accommodations for more than 100 persons.

Arthur D. Kehas

1st Director of Police Standards & Training

On May 2, 2007 in honor of the late Arthur D. Kehas the first Director of Police Standards and Training, the Governor and Executive Council changed the name of our building and grounds to the Arthur D. Kehas Law Enforcement Training Facility and Campus. On June 14, 2010, a ceremony was held to dedicate a bronze plaque donated by the Kehas family to commemorate the naming of the campus in honor of Arthur Kehas. That plaque remains proudly displayed in our lobby.

On July 1, 2016, the funding for PSTC changed to 100% general fund and the balance of the training fund and any future penalty assessment revenue previously directed to PSTC was transferred to the general fund.

The Council was a non-affiliated state agency reporting directly to the Governor until July 1, 1985. With the passage of Chapter 152, Laws of 1985, it became attached to the Department of Postsecondary Technical Education, subsequently called the NH Department of Regional Community-Technical Colleges and known since 1998 as the NH Community Technical College System. Laws of 1985, 152:4, provide that Police Standards and Training shall be a separate PAU within the System, administratively attached and separately financed.

Arthur D. Kehas

1st Director of Police Standards & Training

The Council also retains its rule-making authority independent from the System. By a law enacted by the 1998 Legislature, the Police Standards and Training Council, like the rest of the college system, gained flexibility in making purchases and in fiscal transfers through the System's Board of Trustees. Chapter 361, Laws of 2007, changed the governance structure of the system again and renamed the system the New Hampshire Community College System.

Beginning in SFY 2008, PSTC transfers were approved through the Joint Legislative Fiscal Committee. In 2011, the property of the CCSNH, PSTC and the McAuliffe Shepard Discovery Center was surveyed and re-distributed under RSA 188-F:1-a with PSTC receiving 20.87 acres of allocation. In 2017 RSA 188-F:22 through 32-a was repealed and the provisions were moved to RSA 106-L, removing the Council from attachment to the Community College System.

Director's Reflection

In 2023, new legislation took effect that dramatically changed and more clearly defined the mission and responsibilities of NH Police Standards and Training Council under RSA 106-L. These changes included the following:

- The legislation reaffirmed that police and corrections training is vital to NH and further recognized the importance of police and corrections accountability.
- It increased the size of the NH PST council from 12 to 15, eliminating the CCSNH seat and created seats for a rank-and-file officer, a college professor and two more citizen members.
- Added the responsibility to NH PSTC, at the request of the Chief Justice of the NH Supreme court, to develop and deliver a Court Security Officer academy and certify CSOs under NH PSTC regulation.
- It created the Conduct Review Committee that is responsible for maintaining oversight of all investigations involving any allegation of police conduct as defined under RSA 106-L and if found to be necessary, to have PST investigators investigate such matters. The legislature defined what Police Misconduct is, what a valid complaint is and what a valid investigation into misconduct is.
- PSTC now provides state-wide oversight of the delivery of Crisis Intervention Training to reach the goal of having at least one officer from every law enforcement agency certified as a CIT officer.

John V. Scippa
Director, New Hampshire Police
Standards & Training

We ran 4 overlapping police academies and 4 end-to-end corrections academies in 2023 to help police agencies and NH DOC fill open positions as the nationwide challenge of recruiting and retaining police and corrections officers continues.

We increased the number of in-service training opportunities to assist certified officers to fulfill the increased mandatory in-service training requirements.

Through Executive Order, Governor Sununu created the NH Law Enforcement Accreditation Commission and attached this body to NH PSTC. The commission engaged Retired Chief Mike French to create state-wide accreditation standards. Staff members of NH PST, members of the commission and members of the NH AG Grants management unit applied for a federal COPS grant seeking financial support of the accreditation program.

Ultimately, the NH LEA Commission was awarded a 300,000 grant. At this writing, 15 police agencies have formally begun the state-wide accreditation process.

John V. Scippa

Psychological Stability Screening Reimbursement

On September 14, 2020, in accordance to RSA 106-L:16, a police psychological stability screening for candidates for certification as law enforcement officers, administered by the Council, was established.

Funding was created from drug forfeiture monies and will be non-lapsing. The Council created and approved the process of reimbursing funds to departments with the maximum reimbursement of **\$750** per exam. Reimbursements in **FY23** totaled **\$89,845.00** to **57** departments.

 Donations

Donations:

On March 28, 2023, in accordance with RSA 106-L:5 XVII, the NH Police Standards & Training Council accepted a donation by Whelen Engineering Company of Charlestown, NH. The donation was for emergency vehicle lighting packages valued at approximately \$2,000 to be installed on new vehicles that were purchased for recruit training. There were no conditions attached to the donation.

COMPLIANCE MONITORING

Another function of our agency is that of compliance monitoring to ensure that agency administrative rules are being followed. That activity is characterized by the following:

- ① Investigations into alleged rules violations or other departmental or individual conduct that could result in suspension or revocation of police or corrections officers' certifications.
- ① Background investigations conducted on the ability and fitness of persons to serve as Police Standards and Training Council employees, staff members.
- ① Examination of the documentation submitted by officers from other states requesting certification in New Hampshire based on prior training and experience or by officers re-entering the field.
- ① Reviews of incidents involving police officers that indicate a need for positive changes in our training programs or entrance standards.
- ① Monitoring compliance with our various rules, which involves submission of forms and data from state, county, and local law enforcement and/or corrections agencies.

Surrender of police certification carries the same ramifications as revocation of police certification – a minimum two-year period before a petition can be made to the Council to grant eligibility to regain recertification. Decisions of the Council are appealable only to the New Hampshire Supreme Court. The following table details the results of decertification and suspension hearings held in the past fiscal year.

COMPLIANCE MONITORING continued...

Surrender of police certification carries the same ramifications as revocation of police certification – a minimum two-year period before a petition can be made to the Council to grant eligibility to regain recertification. Decisions of the Council are appealable only to the New Hampshire Supreme Court. The following table details the results of decertification and suspension hearings held in the past fiscal year.

PSTC staff also conducts compliance visits to agencies that have a change in leadership. This is an educational experience for the new agency head to understand the requirements of the council rules.

The following law enforcement agencies received visits for compliance auditing purposes for the fiscal year ending on June 30, 2022: Seabrook, Litchfield, Sandwich, Jaffrey, Campton, New Hampton, Holderness, Langdon, Alexandria, Hill, Groton, Rumney, Moultonborough, New London, Brentwood.
