REIMBURSEMENT INSTRUCTIONS**

Police Standards and Training is pleased to announce that funds resulting in the passage of Senate Bill 376-FN are now available to provide NH law enforcement agencies the opportunity to submit for total reimbursement for all expenses incurred while officers are engaged in the 40-hour CIT courses. Once an officer has successfully completed this course (requires full attendance for all 5-days, missed blocks of instruction must be made up in a subsequent course on a day-for-day basis due to block scheduling) department heads may download the reimbursement application form and associated documents located in Benchmark. Before any data entry is initiated users may have to **ENABLE EDITING** once the application opens. Please complete all information and data fields as indicated. Financial data entry requires numbers and decimals only. The spreadsheet will calculate sums and totals automatically. If a mistake is made on initial entry, just delete, and re-enter the data.

Reimbursements are calculated using the General Services Administration (GSA) for Concord, NH.
