

## **NH Law Enforcement Accreditation Program: ASSESSOR POSITION**

The NH Law Enforcement Accreditation Commission (NHLEAC) is seeking individuals who would be interested in serving as a trained Accreditation Assessor for the New Hampshire Law Enforcement Accreditation Program.

Accreditation Assessors serve as the “eyes and ears” of the Commission during an agency’s formal assessment. Through a combination of virtual review and an on-site evaluation with the agency, assessors will review all standards and verify that the agency is in compliance with those that are applicable. At the conclusion, the assessors will prepare and forward a written report for final accreditation approval by the Commission.

To Become an Accreditation Assessor, candidates must:

- Be able to interact with the CEO’s, as well as other leadership and administrative staff from agencies being assessed.
- Have a comprehensive understanding of the NH Law Enforcement Accreditation Program standards.
- Maintain a high level of professionalism at all times while representing the Commission in conducting a non-adversarial review process.
- Possess a solid understanding of modern-day policing operations and administrative practices.
- Be highly organized, detail-oriented and skilled in writing.
- Successfully pass a prescribed course of Assessor Training.

If you are interested in becoming a volunteer Assessor for the Commission or have any questions, please submit a completed Accreditation Assessor Application or any inquiries to Commission Chair, Chief Anthony King at [aking@strathampd.org](mailto:aking@strathampd.org)
